Corporate Catering Menu

Here at T-Bones, we specialize in helping our surrounding businesses and organizations by setting up a Corporate Catering Menu, consisting of smaller selections of our favorite gourmet meals. This menu is designed to make lunches and dinners less stressful for the working environment. Whether it be a number-crunching meeting, employee appreciation, or perhaps a dinner for your Board Meeting, T-Bones would love to provide your business with great friendly service, and most importantly, very satisfying foods. This Corporate Catering Menu is limited in size so that made-to order meals are easily arranged.

Each order should be made for a minimum of 10 people. T-Bones greatly appreciates your business and hopes to fulfill your every luncheon need.
